About this Document

The Comprehensive Support Service Directory is a tool for career counselors and other workforce development network partners to locate and connect with support services and service providers throughout Rhode Island. The directory is designed to help staff locate a particular service or support based on a customer’s need. While not an exhaustive list of all providers or services, the Governor’s Workforce Board of Rhode Island hopes this directory assists career counselors in better serving their job-seeking customers and helps provide a more complete picture of what services are available in the region.

The directory was developed in partnership with the United Way of Rhode Island 211 Service. This document is maintained electronically and will be periodically updated and revised on the Governor’s Workforce Board website at: <http://gwb.ri.gov/workforce-partner-resources>.

PLEASE HELP US KEEP THIS DIRECTORY UP TO DATE

While the State Workforce Development Board will strive to keep this document up to date and notify network partners of updates or re-issues; we ask that any staff who becomes aware of any change relating to the programs contained in this directory, please notify the Board by emailing: DLT.GWBINFO@DLT.RI.GOV . Thank you!
